

The Occupier

Queensferry Roundabout and ASDA Junction Improvement Scheme

Flintshire County Council will be upgrading the traffic signals and making improvements to the ASDA junction and Queensferry roundabout. The junctions are currently experiencing lengthy delays during peak periods.

The scheme is due to commence in February 2016 and is expected to be completed in April 2016

We will be holding an information event so that residents and business owners in the area can come and find out more about the project. We will have members of the project team available to discuss our proposals with you and answer any questions you may have.

The date and venue for this is:

Thursday 7th January 2016 – 12.30pm to 6.30pm
Queensferry War Memorial Institute (Tin Hut ADSA)
Chester Road West
Queensferry
CH5 1TP

We would like to thank you in advance for your cooperation during the work and assure you that we will work closely with you to make sure any disruption is kept to a minimum.

Should you have any queries relating to the above works please contact Flintshire County Council; Streetscene and Transportation on 01352 701234.
