

AI-Smartcam **New** Mini Thermal Body Camera/Stand

As safety and wellbeing are paramount for All entering Member premises.

May we introduce the very latest **Mini Contactless Thermal Body/Mask Camera**, easy to install which can be wall mounted or posited with designer stand

Prior to any person entering your premises the camera measures their temperature, **identifying a person in-excess of 37.3°C that may indicate a potential infection** which sounds an alarm. The system monitors both staff and visitors thus protecting everyone.

Additional AI-SMARTCAM MINI FEATURES are:

- **No-physical contact**
- **Temperature Accuracy +/- 0.3°C**
- **Temperature Alarm above 37.3°C**
- **Facial Recognition (data base stores upto 100,000 faces)**
- **Temperature check whilst wearing a Mask**
- **Mask Acknowledgement plus Alarm (where Masks are mandatory)**
- **Designer stand or wall mounted.**

We would be happy to discuss your requirements, and demonstrate at your convenience.
